Ghitelman Inducted Into Entrepreneurs Club

Doris Ghitelman, a former Weston resident with William Raveis Real Estate in Southport, has been formally inducted into the Entrepreneurs Club.

Terry Russo, vice president of sales, cited Ghitelman as an exemplary Realtor who works diligently for her customers. "Her skills at assessing a customer's needs and her ability to persevere until their goal is achieved is why she was selected for membership."

The Entrepreneurs Club is a select group of Realtors dedicated to bringing their business to the highest levels of professionalism and customer service. They meet weekly with their peer group and business advisers to learn the latest industry trends and technology. Each member makes an ongoing investment in time and money to bring the highest level of service to their clients.

Ghitelman is delighted to join forces with the Entrepreneurs Club. "I view my work in the Entrepreneurs Club as a way to hone my expertise and serve my clients in the best way possible."
